HAWORTH . CROSS ROADS . STANBURY NEWSLETTER

Local Information gathered by Local People

FOOD FOR LIFE

Haworth Primary School has been selected to become national leader on school meals and food education.

The school will become one of 180 Flagship Schools and Communities across England that will be recognised as national leaders on food quality and food education. Haworth Primary School is one of the first 6 schools to be chosen in the Yorkshire and Humber region.

Taking up the challenge laid down by Jamie Oliver's school dinners campaign, the Food for Life Partnership has been funded by the National Lottery over five years from 2007 to help transform food culture in schools across the country.

Building on Haworth Primary School's achievements to date, the Food for Life Partnership will now help them put more fresh, local & organic food on the menu and get pupils – and interested parents and community groups – cooking and growing food and visiting local farms.

Gardening Club Leader Steve Thorpe said "I feel really excited for everyone at our school about becoming a flagship school. Although we have come a long way over the past 5 years I still believe the journey has only just begun. It is good that the Food for Life Partnership has picked a project that is already up and running and proving so successful. This will show others what can be done and achieved and we will be able to give so much help and advice along the way"

Headteacher Janet Parkinson said: "I am delighted that the school and Steve Thorpe have been recognised for pioneering work with Gardening that has impacted on the curriculum and has contributed to the development of a forward looking Food Culture in school. We are really excited about developing cookery skills both in school and the community and further improving the quality of school meals."

Sponsored by : **Haworth, Cross Roads and Stanbury Parish Council**

Parish Council Column

I am the new Chairman of Haworth, Cross Roads and Stanbury Parish Council. I was elected at the Council's meeting on Monday, 12 May 2008 after it was announced that our chairman for the last seven years, Cllr. Peter Hill, was standing down. It was a very proud moment for me after being a Haworth resident for almost nine years.

I would like to thank my fellow councillors for showing faith in me. I shall endeavour to serve the communities in the three villages to be best of my ability as well as upholding the Council's principles of fairness, transparency and integrity.

I would like to thank Peter for his hard work and dedication while serving as the Council's chairman. During his period in office the Parish Council has risen to the challenge of becoming a precept levying authority, initiated the construction of a Parish Plan and started down the road to achieving Quality Council status. No mean achievements while at the same time serving as a ward Councillor on Bradford Metropolitan Borough Council and running his business.

Thankfully Peter will remain on the Parish Council and will serve as Deputy Chairman as well as Chair of our Finance and Overview Committee, so we do retain his valuable experience.

I move into the chair when we are standing on the brink of completing the long process of writing the Parish Plan and seeking Quality Council Status, both important indications to the outside world that we really care about our community, its activities and environment.

The delivery of the Parish Plan will give the three villages a voice in many of the important processes of local government far beyond the Parish Council while, if we succeed in achieving Quality Status and I believe we will, it will be a recognition of the Council's good level of service and performance. At the same time it will ensure that we as Parish Councillors have a template against which to continually measure our activities and contributions to the quality of life in Haworth, Cross Roads and Stanbury.

Haworth Art and Design

Our low-cost website packages are going well. Using the 'mrsites' platform we build your site to your requirements within an agreed budget. Our familiarity with the product enables us to do all the boring bits very quickly and as soon as you feel confident to take over we hand it over to you. We only charge for the initial package and out time up to hand-over. To date, the most expensive site we have produced cost just £300. If you would like to see an example of one of our low cost packages visit:

www.hipertyhopenitykids.com

In-fact, why not visit it anyway! It's a really great way to buy children's designer footwear.

www.haworthartanddesign.com

**Do you grow vegetables or flowers?
Do you bake or do handicraft?**

HERE'S A CHALLENGE FOR YOU!

Haworth, Oxenhope, Lees & Cross Roads Gardeners and Allotment Holders Association will be holding its 90th Annual Flower & Vegetable Show on Sunday 24th August at Haworth Community Centre.

Do you fancy entering?

There will be all kinds of vegetable, flower and plant classes. You don't even have to have a garden as there are classes for baking & handicraft, as well as children's classes.

**GO ON, HAVE A GO!
YOU MIGHT WIN FIRST PRIZE!!**

As it's our anniversary year all money raised will go to Manorlands.

If you could offer a raffle or tombola prize, or sponsor a class, we'd love to hear from you.

For more information or for a schedule of classes contact Geraldine Lamb on 01535 648610

Haworth Shops

The Haworth Shops website which launched in February this year is now enjoying a lot of success. Take-up of advertising spaces was initially quite slow, which is what you would expect from a new and untried enterprise. But it suddenly put on a spurt last month and had to increase its capacity to meet the demand. Many people said that it was the advertisement in the last issue of this magazine that got them interested.

Initially it was expected that local artists and self-employed people would use the site's low cost advertising facilities, but recently some of the village's larger businesses have been showing an interest in it and one or two of them have joined.

So ... it's a good site now and can only get bigger and better. Why not visit it and look around? Looking costs nothing!

GARDENWISE TOP TIPS

- ◆ Ensure that your garden's fence, walls and gates are in a good state of repair.
- ◆ Install outside lighting - low energy dusk to dawn lighting is recommended.
- ◆ Keep trees and shrubs trimmed so that thieves cannot use them as a screen to work behind; consider planting 'prickly' plants, such as a Pyracantha, to act as a visual deterrent as well as a physical barrier.
- ◆ If you have a garden shed it is important that it is in a good condition, is fitted with a suitable lock and any windows are secured - remember to keep the shed locked!
- ◆ All valuable property should be marked with your postcode - this acts as a deterrent to thieves and improves the chances of tracing the items if they are stolen.
- ◆ Keep a photographic and written record of any valuable garden furniture or ornaments - this helps with tracing the items if they are stolen and is a way of confirming ownership.

"Everyday Haworth" is the title of this year's major art event at the Black Bull and The Souk on Haworth Main Street. Building upon the success and goodwill of last year's "Haworth ... as WE see it" picture wall outside the Black Bull, this year's event will be larger and even more amazing!

200 canvasses and paint sets will be freely distributed around the village and the recipients asked to paint any aspect of everyday life in Haworth, showing that alongside the Bronte past, our village is a real place with real people in it and has so much to offer in the present day. Once all the pictures have been returned they will be fixed to a huge outdoor framework for all to see. Once again the installation will be illuminated at night.

Sandra and Chris McCarthy who organised last year's event are also behind this one, but with a difference. Mel and James from the Black Bull, and Rosie and Glyn Broomhead have joined them to form an organising group. This group is called "Haworth People's Art" and will concentrate solely upon organising an annual community based event, involving only local people.

This year's event will be launched on Saturday July 19th, with live music throughout the day and an evening switch-on of the lights. The picture wall itself will remain in place for two weeks.

This is a free event, organised by and for people who want to give back something to the village we love.

Chris McCarthy
Everyday Haworth
