

HAWORTH NEWS

Sponsored by : **Haworth, Cross Roads and Stanbury Parish Council**

THANK YOU FROM THE ROTARY CLUB

The Rotary Club of Haworth & the Worth Valley would like to thank everyone who helped with their collection of buttons. 45 kilos of buttons were collected and will be going to the international charity Trade Aid.

All the items collected will be put into a trade box, which will help seamstresses and tailors set up small businesses in their villages, mostly in Africa.

Alan Geeson from Trade Aid who came to speak about the charities work alongside club president, Gordon Green and club member, Chris Bown

Haworth People's Art

It is with sadness that Chris McCarthy announces the cancellation of this year's Haworth People's Art event. For once the reason is not lack of funds but simply ill-health.

Chris says: "What started out as a one-off event has run successfully for four years and we would like to thank you all for making it work ... and for raising so much money for charity through your generosity.

There is a fair amount of money left in the 'Wall of Art' bank account and we intend to have a final fundraising event in July to boost it even higher. That done, we will divide all of the money between Manorlands, the Air Ambulance and the PDSA; then close the account."

Donations for an auction would be greatly appreciated and can be dropped off, either at the Kings Arms or 18 Oak Street (behind the Spar). Already there are some good items ... including a Leeds United football shirt, signed by every member of this year's team.

"Thank you once again for your wonderful support ... Haworth is a great village."

PARISH COUNCIL COLUMN

Now that the 2011 election has passed and we at the Parish Council are looking forward to what happens during the next four years. Occupying the front of not only Haworth, Cross Roads and Stanbury Parish Council's mind will be the challenges being set by the Government's proposed Localism Bill. Like everybody else we wait to hear what the details of the Bill will mean for the Parish Council and the villages.

I have already attended at least three meetings when the subject has been discussed but, as yet I have yet to see what the immediate plans for the future will be.

One thing has become clear the Parish Plan, which was published for our villages for the last three years is about to be up-graded. The name of the document has already changed, it's now to be called a 'Community Led Plan'.

Soon there will be a major development in this element of local planning for Haworth, Cross Roads and Stanbury so it may be a good idea to keep your eye on the local media for developments!

The Parish Plan was always intended to be a document that outlined the desires and aspirations of our residents. It was designed to be re-written and kept up-to-date. Under this Government Parish Plans, or whatever they're going to be called this month, will assume a new, more important significance, if what we have been led to understand Localism is going to mean is true so we hope to be able to report some good news for you on this issue very soon.

It has become evident that one piece of work we are going to have to undertake will be that of a Local Development Plan. This is going to be an important document when it comes to the Planning procedures. My understanding is that it will be more a question of saying what kind of new building development we want rather than whether we want any more development in the area.

This area and the remainder of the Aire Valley has been identified as an area of potential significant growth in West Yorkshire and, even though the last Government's Regional Spatial Strategy has been consigned to the rubbish bin of history, there is no doubt that we're still in the firing line when sites for new houses are required. And that's why it's important that we develop a Local Development Plan so that we can at least have a say in the process.

John Huxley

Chairman

Haworth, Cross Roads and Stanbury Parish Council

Farmwatch signs

With very kind donations from our partners at Keighley Town Council and Haworth, Cross Roads, Stanbury Parish Council, we have been able to buy prominent signs to advertise our FARMWATCH areas. We are in the process of erecting signs throughout these areas and hope to secure more funding in the future to expand where we can display them.

FARMWATCH was launched last year and aims at sharing information between the Police and more remote rural households. The new signs will provide a visible deterrent to anyone visiting our area with crime in mind. Vehicle stickers advertising membership of the scheme are also available. PC Cath Gallimore said "As the co-ordinator for FARMWATCH, I'm very keen to expand membership to as many rural premises as possible. The scheme has already had some success, with members sharing information on crime and suspicious activity in the rural community."

2 arrested for conspiracy to commit burglary 4th May

Two males have been arrested on suspicion of conspiracy to commit burglary. These males were seen acting suspiciously in private gardens trying door handles. With the assistance of the force helicopter these individuals were located and arrested. Enquiries continue.

Suspected burglar arrested - 28th April

A 29 year old man from Ovenden was arrested last night after a burglary in the Oxenhope area on the 26th April. The arrest of a further man, suspected to be an accomplice is planned today.

Local man arrested for robbery - 27th April

A man from Haworth, who cannot be named for legal reasons, was arrested last night for an offence of robbery. The alleged offence took place earlier in the week in the Oxenhope area, where a mobile phone was taken by force.

'Determined and professional' burglar gets 8 years – 8th April

Local man Stephen Gibson was today sentenced to a total of 8 years imprisonment for 3 burglaries and 1 theft. On passing sentence the Judge described Gibson as 'a serious, determined and professional burglar' and his crimes as 'mean and despicable'.

Sgt Chris Watson said "This is a very pleasing result. Gibson had committed offences throughout Airedale and North Bradford, including the Bingley & Worth Valley NPT area. A strong sentence such as this not only prevents any further offences from this individual, but it also puts out a strong message to any likeminded offenders"

Details of speeding vehicles are recorded by the Officers and warning letters are sent out to the registered keeper of the vehicles in the first instance. Further enforcement is later carried out by the team in company with their colleagues from the Divisional Roads Policing Department. The penalty for speeding is usually a £60 fine and 3 penalty points. If you would like to join one of your local Officers to undertake a Speed watch Operation, or would like to nominate an area for us to do this, then please get in touch.

HAWORTH:

Between 10:30 - 11:30 PCSO Hussain carried out a speedwatch on Station Road, Haworth, opposite Thornfield Nursing Home. A total of 56 vehicles passed with 0 vehicles exceeding the speed limit of 30 mph.

On Monday 9th May, traffic was monitored by PCSO 524 Wardle on Rawdon Road, Haworth between 11:00 - 12:00 noon. 7 vehicles were travelling at speeds exceeding the 30 mph speed limit with one vehicle clocked at 45 mph.

STANBURY:

PCSO Hussain carried out a speedwatch on Main Street, Stanbury on Saturday 19th March between 11.50 and 12.50. 45 vehicles were monitored with 8 seen exceeding the 20 mph speed limit, the fastest travelling at 26 mph.

A number plate initiative, including crime prevention advice, was carried out on Waterside in Oxenhope on the 16th May. This was following a recent number plate theft from that location.

14 vehicles were fitted with the anti-theft screws in 1.1/2 hours a good count for a small estate of about 40 dwellings.

Watch out for details of other number plate initiatives to be carried out in the area.

THERE IS STILL TIME TO GET YOUR VOUCHER FOR A EURO SAFE LOCK

If you are a Worth Valley resident you can claim a £10 voucher to replace your door lock with the Stronghold Snapsafe cylinder lock.

To claim your £10 voucher, call at the Contact Point with proof of residency in the form of a utility bill (only one voucher per household. Vouchers will be valid for 28 days from date of issue) Vouchers will be issued on a first come first served basis.

The lock can easily be fitted by most householders but can also be fitted by the tradesman if preferred for a small fee.

Vouchers are available from the Police & Community Contact Point, 28 Changegate, Haworth. Open: Tuesday - Friday 12-4pm or Oakworth Contact Point, Holden Hall. Oakworth. Open: Tues 9-11am, Wed 6.30-8pm and Thurs 1pm-3.30pm

For further information on the scheme contact the Bingley & Worth Valley Neighbourhood Policing Team on 01274 475331

LETTERS

Sir,
Are there any photographs of Main Street, Haworth taken from Browside before the planting of the line of Poplar trees? These were planted over one hundred years ago and are now in decline and the subsequent planting of the conifers in 1928 to hide the views of the backs of the Hippodrome cinema, garage and Salvation Army buildings. The whole area is lost from view for any visitors entering Haworth from Cross Roads by car.
Mr F. Slack, Haworth

Have your say on local issues. We are always happy to hear from you and will publish your letters in the next newsletter (subject to space). So why not take the opportunity to voice your opinions. Write to Worth Valley Police & Community Contact Point, 28 Changegate, Haworth. BD22 8DY or email: wvcontactpoint@yahoo.co.uk

ON THE LIGHTER SIDE OF LIFE

Great truths that little children
have learned:

- 1) No matter how hard you try, you can't baptize cats.
- 2) When your Mum is mad at your Dad, don't let her brush your hair.
- 3) If your sister hits you, don't hit her back. They always catch the second person.
- 4) Never ask your 3-year old brother to hold a tomato.
- 5) You can't trust dogs to watch your food.
- 6) Don't sneeze when someone is cutting your hair.
- 7) Never hold a Dust-Buster and a cat at the same time.
- 8) You can't hide a piece of broccoli in a glass of milk.
- 9) Don't wear polka-dot underwear under white shorts.
- 10) The best place to be when you're sad is Grandpa's lap.

Cross Roads & Lees Village Association held a Special General Meeting on Monday 16th May

The association welcomed a number of new committee members including Tom Muir as the Chair. The new members, all of whom have an interest in the village were quick to recognise the achievements of the Gala committee in keeping alive the village association's name. Special thanks were given to Lorraine and Peter Clarke and Guy Adams for the incredible amount of work they have done over the years organizing the village gala.

"The new committee members are looking forward to working with Lorraine, Peter and Guy as well as encouraging new investment in the village and its residents." said Cllr Mark Pullen. The association hope to broaden the range of activities offered in the village which meet the needs and wants of the community as well as using open meetings as a means of networking. "There has been a fantastic response from residents and the more members recruited, with their skills and local knowledge, the better the association can get to grips with some of the 21st Century issues, which face the village. We will always be looking for people who are passionate about where they live and want to make a positive contribution to village life." If you are interested in getting involved with the Cross Roads & Lees Village Association please contact Tom Muir on tommuir99@gmail.com

The association is supported by Keighley & Ilkley Voluntary Community Action and Haworth, Cross Roads & Stanbury Parish Council

Sheila Murray

Sheila Murray's world of wellness Discover **Absolute Wellness**

with the Sheila Murray Lifestyle Programme incorporating Relaxation training methods, Yoga and other Eastern disciplines

The Lifestyle program involves participation in a 6-week program of relaxation training methods incorporating

- Breathing patterns
- Muscle control
- Correct posture
- Positive self-talk
- Use of visualisation

Followed by a 6-week program of Yoga designed to complement the above and facilitate joint and limb flexibility, improving muscle strength, coordination and general balance

This program is suitable for:

- Reducing fear, anxiety and stress
- Recognising problem situations and learning how to resolve them
- Improving sleeping patterns
- Lowering blood pressure levels and drug dependency
- Assisting with weight reduction programs
- Increase self-awareness and self-enhancement
- Post-operative joint replacement surgery

This program unifies both knowledge and techniques and Eastern and Western disciplines that are helpful to all participants
